

Harford County Home School Lego Teams to Compete in State Robotics Competition

TechBrick 1
Brady, Thomas, Gavin, Amy, Jamie & Garrett

TechBrick 2
Jonathan, Zack, Brian, Matthew, Cole, Jonathan, and KC

Two Harford County home-school teams sponsored by New Covenant Christian Academy will compete against 50 Maryland Teams on Saturday, January 21, in the MD First Lego League competition at UMBC Catonsville. There are more than 4000 teams registered world-wide. We'd like to express our appreciation to Mark Heil of the Boys & Girls Club for his leadership as state director and to our sponsors who are willing to invest in young, inventive minds. For more information visit the TechBrick web site.
