Parts Lists and Quantities for Small Table Items

Prepared by the Andrew Norton of the RoboDesigners, Roanoke, VA

<http://www.robodesigners.com>

This year's board is super cool. But it does have a lot of little parts and elements that are fun to play with and may very well disappear along the way. If you have lost some parts or table elements here is how you can get them back!

Follow this link for full instructions for ordering your parts...

This document contains the parts number and quantities for the following elements:

Bicycle
People
Snowmobile
Laptop
Ice Buoy
Money and CO2
Insulation
Levee Blocks
Polar Bear
