## **Group Communications Worksheets**

It is essential that your team learn to speak well and clearly articulate their ideas and solutions. This series presents exercises we've used at our meetings.

### **Convince Us To...**

#### ***How to use this exercise:***

Gather 10 random items from around your house. Make them funny and interesting. Hats, toilet paper, unusual tools, photos, etc.

Then have each student stand up. Hand them one of the items and ask them to use it to convince us to...

You can of course rotate the object or come up with your own topics.

No time limits. Focus a clear argument and compelling story.
