Group Communications Worksheets

It is essential that your team learn to speak well and clearly articulate their ideas and solutions. This series presents exercises we've used at our meetings.

Think Quick(ly)

How to use this exercise:

Use the topics listed to have each child tell a story. This is not time-based. Work with them (and have the other team members push them along) until they've told a satisfactory story.

Reinforce: Intro-Subject-Conclusion.
